

# VACATIONING AT SEA RIVER TOWER

Come discover the romance of Puerto Vallarta. Blessed with lush, tropical vegetation and beautiful beaches, this quiet village has grown immensely-and yet has managed to retain that small town atmosphere. Despite stiff competition from Cancun, Puerto Vallarta remains one of Mexico's foremost seaside resort destinations. This perennially popular Pacific playground instantly conjures images of idle days spent soaking up the sun and evenings of dining, dancing and revelry. Puerto Vallarta fulfills the scenic requirement for a tropical resort destination. Explore the fascinating Artisan Market, tee off at one of the beautiful 18-hole golf courses or rent a boat at the marina. Shoppers will be delighted with the variety of stores that can be found; everything from fine boutiques to shops in an open-air market. If adventure is calling, explore one of the islands or take a tour through the jungle-who knows what you may see.
