

VACATIONING AT CLUB TAHITI

The third largest of the Canary Islands and known since ancient times as 'the Fortunate Isles', Lanzarote has a delightful climate all year round with over 320 days of sunshine each year. Despite its barren, almost 'moonlike' landscape, the island is starkly beautiful and surprisingly fertile, with abundant local crops, including the grapes, which are used to good effect by the local wine producers! The fact that tourism was a late starter here has resulted in many benefits for today's visitor, with the island retaining much of its original character and culture, and local tourism developments being restricted to traditional low rise, white-washed buildings, designed to blend in with the natural environment. Club Tahiti is located on Lanzarote's beautiful Costa Tegui, just 14 km from the island's capital, Arrecife. This peaceful resort is set just a few kilometers from an 18-hole golf course and golden sandy beaches that offer a variety of water sports for everyone in the family. Indeed, the area is famous for its crystal clear ocean and long stretches of wide sandy beaches, punctuated by hidden coves and beguiling bays. It's little wonder that visitors from around the world return year after year to windsurf, sail, fish, or simply lie back, relax and bask in the warm sunshine. Club Tahiti makes a perfect centre for exploring this unique island.

TRANSPORTATION

The journey from the airport is approximately 15km. There is a large roundabout when you leave the airport, follow the signs for ARRECIFE. Almost immediately after leaving the roundabout you will see a blue sign saying LZ2 Arrecife. Keep your eye out for an overhead sign that says circunvalacion. Once you see this sign, make sure you get over into the left hand lane. As you pass the Km4 point you will see a sign that says LZ3 Lanzarote Oeste. Take this exit. At Km9 there will be 2 Shell service stations, and shortly after you'll see a sign indicating LZ14 Costa. Take great care when approaching this junction as it is very confusing. At the junction you need to filter left, and you will approach a Stop sign. After a couple of Km you will come to a roundabout that will appear just after the petrol station. Continue straight. At KM14 you will pass a junction to the right signposted Hotel Melia Salinas. Continue a few hundred metres to the next junction which is a left turn just past and opposite the FICUS complex. Turn left onto 'Calle de Caldera Taburiente', you will see Club Tahiti approximately 50metres on your left.

Taxi service is also available from the airport to the resort. Car rentals are also available onsite at the resort.
